

Making Wishes Come True

25 June 2015

To whom it may concern,

It is my sincere pleasure to present this letter of reference regarding Miss Lizann Warner. Last year my charity, The Debbie Chisholm Memorial Foundation (DCMF), engaged Miss Warner to provide entertainment for our 3rd annual Cops for Kids with Cancer celebrity dinner and auction. The event raised funds to grant wishes for seriously ill children throughout the Inland Empire and was attended by 200 guests and celebrities at the Pechanga Resort and Casino.

Miss Warner's performance was breathtaking, very professional and brought an elegance to our event that would have otherwise been missing. Our guests and celebrities (Gavin MacLeod & Marion Ross) remarked that Miss Warner's performance was beautiful and richly enhanced their experience. Luckily, she is available once again for our 2015 event and we have enthusiastically engaged her to perform. I highly recommend Miss Lizann Warner as she is punctual, possessive of a magnificent voice and a pleasure to work with.

Sincerely Yours
